PROGRAM PHILOSOPHY

The purpose of our child care program is to meet the developmental needs of school age children and to serve family needs for quality care before and after school hours. Our goal is to complement the school (not duplicate) and to emulate a warm home setting with intellectual stimulation, supportive of the school age child's emotional, social, cognitive, and physical developmental needs.

QUALIFIED STAFF

All staff has been selected because of their experience and their genuine concern for children. The staff have also undergone YMCA training in emotional and physical child development, safety, and self esteem building procedures

The Director, Angie Korfhagen, has a degree in early Childhood Education and has worked in YMCA childcare for over 19 years
