**Level 3: Water Stamina**— Develops intermediate self-rescue skills performed at longer distances than in previous stages. To advance, students must streamline kick on front and back for 15 feet, front crawl with arms for 15 feet, rollover from front to back, and tread water for 30 seconds.

#### SWIM STROKES

**Level 6: Stroke Mechanics**— Refines stroke technique on all major competitive strokes and encourages swimming as part of a healthy lifestyle. #### PATHWAYS

**Pre-Competitive Swim Team-Little Rays** is for students who are ready to advance their swimming skills to all 4 swimming strokes; Butterfly, Backstroke, Breaststroke, & Freestyle. This group will focus on building the swimmers strength and endurance in every stroke through drills, multiple lengths, and on deck coaching. This group gives the swimmer the feeling of being on a swim team and allows a child to build their confidence in swimming for an easy transition to a more competitive team such as the Lakota YMCA Stingrays!

**If interested in swimming on the Lakota Stingrays Swim Team, please contact the

### Registration Policy

Advanced registration with full payment is required for programs. The YMCA is a member driven organization. Members have earlier registration dates than non-members. Please check registration dates for your sign-up days. Registration begins at 8:00 am. **Online registration is your best way to get into a class each session.** Go to [www.lakotaymca.com](http://www.lakotaymca.com) to register and go to "Enroll in Programs" by category. If you do not have an account, contact the Welcome Center prior to the registration dates to receive an account. Walking in on registration day is your second best option. Calling in to be set up on registration day is not recommended, since this puts you in a call queue and would prevent you from getting into a specific class or session. **\*If you do not get into a class, make sure to enroll so that you will be added to the waitlist. We will open classes as we can.**
