LAKOTA FAMILY YMCA

Dear Before & After School Child Care Program Parents,

Welcome to the 2016/2017 **Before & After School Child Care** Program.

We are glad that you chose the Lakota Family YMCA for your child care needs. All the forms that you will need for the program are found on the Lakota Family YMCA Before and After School Care website.

Please fill out all forms and take to the site on the first day your child will be attending the program. We will again be offering the School's Out Camp Program on most days that Lakota does not have school. That information is in the Child Care Parent Handbook.

If you have any questions or concerns regarding schedules or needs of your child, please contact me at Angie.Delnegro@lakotaymca.com.

Direct ALL Child Care Billing questions to the Billing department by calling contact Heather at Heather.Branham@lakotaymca.com.

Yours in mission,

Angie DelNegro
Child Care Director
