CHANGE IN MEMBERSHIP RATES

DECEMBER 30, 2024

Dear Lakota Family YMCA Member,

At the Lakota Family Y, we are dedicated to helping all members be active, healthy and socially connected. In 2023 we impacted 10,000 children, adults and seniors in our community by providing services, programs and support needed to reach their health and wellness goals. We have added value to our memberships, resulting in a very strong membership growth and community impact.

THE BENEFITS OF BEING A LAKOTA Y MEMBER:

- Priority program registration and a member rate for programs and child care.
- FREE Y Child Watch for memberships with children, so parents/guardians have a safe place for their children while they work on their own health and well-being.
- Activity spaces for youth to enjoy time with friends.
- FREE Group Fitness Classes offered weekly to help our members achieve their fitness goals in a supportive environment.
- Recently remodeled facilities to accommodate the needs of our members and of our community.
- Member ONLY Personal Training and Private Swim Lessons programs.
- Caring and knowledgeable staff encouraging our members along the way.

We have a history of being very sensitive about the affordability of our Y memberships. Through careful consideration and a consistent focus on fiscal responsibility, we are proud to share that this is the first increase in membership rates in 6 years. For us to continue to be a financially sound and sustainable non-profit organization that provides great facilities and innovative, high-quality programs, we need to apply a modest increase to our membership rates beginning **February 1, 2025**.

If this increase proves to be financially difficult for you, our Membership Coordinator is available to assist with the Financial Assistance application process or any additional questions. You can email Helpcenter@LakotaYMCA.com to get assistance.

Thank you for your continued support of the Y! We are truly blessed to help thousands in our community get healthy and stay healthy. Our ability to offer wellness services and quality programming to our community is made possible by you—our supportive Y Family. We look forward to seeing you at our Lakota Family YMCA.
