

## OUR PROGRAM

**Lakota Family YMCA Before and After School Child Care is an active child care program for students of all Lakota Early Childhood and Elementary Schools grade K-6.**

**Supervised hours are Monday-Friday 7:00am until the beginning of school and after school until 6:00pm.**

**Registration is limited!**

The Lakota Family YMCA has provided Before and After School Child Care programming in partnership with the Lakota School District for over 25 years.

If a school does not have enough children enrolled accommodations will be made with neighboring schools and transportation will be provided. Communication regarding this will be done prior to the start of the school year.

**Lakota Family YMCA**  
6703 Yankee Road  
Liberty Township, OH 45044

This material was prepared by the Lakota Family YMCA and is not sponsored or endorsed by the Lakota Local School District or any Lakota School.

# BEFORE & AFTER SCHOOL CHILD CARE

LAKOTA FAMILY YMCA

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

## PROGRAM PHILOSOPHY

The purpose of our child care program is to meet the developmental needs of school age children and to serve family needs for quality care before and after school . Our goal is to compliment the school ( not duplicate) and to emulate a warm home setting with intellectual stimulation, supportive of the school age child’s emotional, social, cognitive, and physical developmental needs.

In the context of a home-like environment the program provides:

- Safe environment (our staff is trained in First Aid and CPR procedures)
- Warm and Responsible Staff
- Fun, Creative Group and Individual Activities
- Opportunity for Quiet Time and Free Play
- Quiet Area for Homework Provided

Our program is licensed by the State of Ohio Department of Job and Family Services.

All Staff has been selected because of their experience and their genuine concern for children. In addition, the staff have undergone YMCA training in emotional and physical child development, safety, and self esteem building procedures.
