Welcome to the LAKOTA FAMILY YMCA

All kids need a safe and productive place to both release their energy and discover their potential. The Y is America’s community space—providing recreation, education, a place to belong, camp and outdoor exploration, character development and more.

A YMCA membership gives you so much more than just a place to work out! As a Lakota Family YMCA member, you have full use of our facility, including access to our Fitness Center, indoor, outdoor pools, indoor/outdoor playgrounds and full sized gymnasium.
