Registration Policy

Advanced registration with full payment is required for programs. The YMCA is a member driven organization. Members have earlier registration dates than non-members. Please check registration dates for your sign-up days. Registration begins at 8:00 am. **Online registration is your best way to get into a class each session.** Go to www.lakotaymca.com to register and go to “Enroll in Programs” by category. If you do not have an account, contact the Welcome Center prior to the registration dates to receive an account. Walking in on registration day is your second best option. Calling in to be set up on registration day is not recommended, since this puts you in a call queue and would prevent you from getting into a specific class or session. ***If you do not get into a class, make sure to enroll so that you will be added to the waitlist. We will open classes as we can.**
