# STAGE DESCRIPTIONS

## SWIM STARTERS

Infants and toddlers

Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

### A / WATER DISCOVERY

Parents accompany children in stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

### B / WATER EXPLORATION

In stage B, parents work with their children to explore body positions, floating, blowing bubbles, and fundamental safety and aquatic skills.

### 1 / WATER ACCLIMATION

Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.

### 2 / WATER MOVEMENT

In stage 2, students focus on body position and control, directional change, and forward movement in the water while also continuing to practice how to safely exit in the event of falling into a body of water.

### 3 / WATER STAMINA

In stage 3, students learn how to swim to safety from a longer distance than in previous stages in the event of falling into a body of water. This stage also introduces rhythmic breathing and integrated arm and leg action.

## SWIM BASICS

Preschool  
School-age  
Teen/Adult

Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills:

- Swim, float, swim—sequencing front glide, roll, back float, roll, front glide, and exit
- Jump, push, turn, grab

### 4 / STROKE INTRODUCTION

Students in stage 4 develop stroke technique in front crawl and back crawl and learn the breaststroke kick and butterfly kick. Water safety is reinforced through treading water and elementary backstroke.

### 5 / STROKE DEVELOPMENT

Students in stage 5 work on stroke technique and learn all major competitive strokes. The emphasis on water safety continues through treading water and sidestroke.

### 6 / STROKE MECHANICS

In stage 6, students refine stroke technique on all major competitive strokes, learn about competitive swimming, and discover how to incorporate swimming into a healthy lifestyle.

## SWIM STROKES

Preschool  
(stage 4 only)  
School-age  
Teen/Adult

Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being, and foster a lifetime of physical activity.

### SUMMER TRI-COUNTY STINGRAYS

CONGRATULATIONS TO OUR LAKOTA FAMILY YMCA STINGRAYS SUMMER RECREATIONAL TEAM!

The Stingray Swimmers took Fifth place at the Tri-County Swim League Championships and were High-Point winners for the 8 and under girls and the 9-10 girls!

Our summer recreational team is a great introduction to competitive swimming for younger children. The main emphasis of the team is family fun and making new friends. Swimmers also learn proper technique and racking skills that will help them transition to our year-round team if they choose.

Registration will begin sometime in April 2020. Please look for more information to come in March 2020.

### YEAR-ROUND SWIM TEAM PROGRAM

Our year-round swim team program is truly a family activity. For ages 6-18, we develop many qualities through competitive swimming such as physical conditioning, self-confidence, sportsmanship, and character building. We help swimmers learn about responsibility, dedication, and commitment.

During the 2018-2019 season, the Lakota Stingrays placed Third in the Central Division at the SWOYSL 'A' Championships, Tenth in the entire league at 'AA' Championships and sent 17 swimmers to the Great Lakes Zone Championships. Isabelle G. qualified for four events and placed Thirteenth in the mile at the 2019 YMCA Short Course National Championships held in Greensboro, North Carolina.

Our Fall/Winter season runs from mid August through early April. Our summer season runs from the end of April through the end of July. Each of these seasons ends with either a league championship or YMCA National Championship meet.
